The Contest Details

This is a Leather Title Competition. Wear Leather you are comfortable in.

The contest is made up of five (5) categories:

First Category: Judges Interview

40% of score

Contestants will be asked questions by the judges in a private setting. Questions will cover information from the applications, knowledge of Leather History, current affairs and other topics.

Second Category: Bar Wear

10% of score

This is also where the contestants will be introduced to the audience. Contestants wear what they believe is hot bar or cruising Leather; what they would wear to pick someone up at a bar.

Third Category: Pecs and Personality

20% of score (street-legal attire required)

This is not a physique or body building or beauty contest. Contestants will be judged on how well they answer a question posed by the judges while wearing minimal wear. This shows how comfortable they are in their own skin on stage - and how they think - wearing very erotic Leather, Gear, or very little at all.

Fourth Category (in Pecs and Personality)

10% of score

Random Question/Audience Engagement.

Fifth Category: Full Leather/Speech

20% of score

Contestants will wear Full Leather and will present a prepared 90 second speech on whatever subject is important to them. You do not have to be in Formal Leather.
